Wednesday 28th June: Prizegiving and Leaver's Assembly @ 10am

Friday 30th June: School closes 12noon (Summer Holidays)

Cash for Clobber

We are taking part in the Cash for Clobber competition again this year. This is an excellent way to fundraise, recycle and encourage a clear out! If you decide to do any 'clear outs' at home, please send in any unwanted pairs of shoes, handbags clothing, hats and belts. We have provided each pupil with a bag. Normal Bin liners can also be used if additional bags are needed. Thank you for your support with this.

Coronation Fun Day

We are looking forward to having a 'Royal' celebration on Friday 5th May 2023. Pupils can come to school in non-uniform/Royal Fancy Dress. Please ensure pupils have leggings/joggers for a fun activity. School Council have organised an art competition. P1 and P2 will be designing a crown for King Charles. P3 and P4 will be designing a Royal Throne. P5, 6 and 7 will be drawing a portrait of King Charles. There will be a prize for each class. This will be fun day to mark such a wonderful event. We hope everyone enjoys some of the celebrations over the weekend. Please remember, school will be closed on Monday 8th May.

Summer Fete

We are currently in the process of planning our Summer Fete. Previously, this has been an excellent annual event for our school. We hope to have a variety of stalls and activities available during this evening event. We have pencilled in Thursday 15th June 3-6pm. We will continue to update you all with any further details in due course. Everyone welcome!

Learning for the Month

As May is test month in school, we recommend that pupils continue to revise topics taught during this academic year. Below are a few recommendations:

Miss McMorris/Mrs Pattison's class:

Literacy: Phonics (P1: initial sounds, P2– CVC words and P3– CVCC/CVC words) Key words, Listening Activities and sentence dictation (P2/3)

Numeracy: Time, Money, Measure Addition and Subtraction.

Mr Beattie's class:

Literacy: Comprehension skills, Spellings, Grammar and Punctuation.

Numeracy: Times Tables, Division, Addition, Subtraction, Time, Data Handling and Measure.
