Welcome, Welcome

Our school building is now buzzing again with our fabulous pupils and staff! There's lots of learning going on already and plenty of fun. We would like to welcome our newest pupils, four P1 boys to school as they begin their Primary School journey. They have settled in so well already and we are very proud of them all. We would also like to welcome a new pupil to our school, Noah. Noah has joined our Primary three class and we are so delighted that his family chose Belleek Primary School.

We wish Noah and his family all the very best as they settle into their new home.

It's amazing to see how much the rest of our pupils have grown over the summer and how well they have adapted to their new year group. Well done boys and girls!

Easyfundraising

What an amazing job you have all made by supporting us through Easy fundraising. So far, we have managed to raise £602.71. This does not cost the buyer anything extra and is extremely easy to do. You can visit the EasyFundraising website or download the app and register. You will need to select which cause you want to support i.e Belleek Primary School and every time you make an online purchase, the school will receive a small donation. There is a huge list of brands involved in Easyfundraising such as Tesco, Amazon, eBay, New Look, Argos and much more. If you do sign up and plan to do some online shopping, you will need to type in the name of the shop either through the website or app in order for us to receive the donation. The website or app will then direct you on to the brand's website. Please consider signing up if you haven't already as it is such an easy way to raise funds for our fantastic school. Thanks to everyone already using this!

See-Saw

Login details have now been sent out for our see-saw app. We encourage all pupils to login and please let their class teacher know if they are experiencing any difficulties. See-saw is our main method of communication between class teachers, parents and pupils. Therefore I would encourage all parents to download the app.

Job Share Thursdays

We are very pleased to be welcoming Mrs Pattison back this year. Mrs Pattison will be teaching the P1,2 & 3 class every Thursday.

Harvest Assembly

Our Harvest Assembly will take place on Tuesday 17th October in our school hall @ 10am with refreshments served after. All of our pupils will be taking part by showcasing their drama skills, art work and singing abilities. Everyone is welcome to join us for this celebration.

School Council

We are extremely excited to elect a new School Council for this academic year. Last year, we had a fantastic School Council and they were responsible for organising a variety of successful events. The School Council will consist of one pupil per year group as well as Mrs Doogan and Mrs Young as staff representatives. The successful candidates will be responsible for contributing their own ideas and those of others. We plan to hold our elections week beginning Monday 18th September and we ask that pupils interested in becoming a School Council member prepare a short speech or reason for this. We look forward to hearing all of their wonderful ideas!

Learning for September and October

Miss McMorris and Mrs Pattison's class:

Literacy: Basic Punctuation, key words and nouns.

Numeracy: Data Handling, Shape and Number Recognition.

World Around Us: All About Me

Mr Beattie's class:
